Welcome to Cottesmore Hotel, Golf & Country Club

The Cottesmore Estate is home to one of West Sussex's premier Golf and Country Clubs.

Our 18 hole Griffin Course and 9 hole Phoenix Course are located within the most idyllic setting. Set in classic parkland amongst beautiful vistas, mature trees and several water holes. The Griffin course is a Par 72 with 6484 yards of natural sloping contours. Equally our 9 hole Phoenix course is a perfectly maintained Par 33 course expanding over 2240 yards.

We also have a practice area, putting green and our latest addition is a state of the art Swing studio. For larger golf days we can offer a live scoring system and leader board that makes your society golf day competitive and fantastic fun.

After a devastating fire in June 2018 we are currently using a temporary club house, changing rooms and catering facilities. We can offer a full menu and we also have an outdoor area and bar.

Cottesmore is a family owned business that welcomes all visitors looking for an enjoyable day out.

Whether you choose from one of our packages or prefer a tailor-made experience we can cater for all your needs.

How to find us..

Leave the M23 at Junction 11 and follow the sign to Pease Pottage and Services. At the mini roundabout take the third exit, over the fly-over and into Pease Pottage. Follow this road for about a mile, over three sets of yellow speed ramps and Cottesmore is on the right hand side.

By rail

Crawley and three bridges are the nearest railway stations to Cottesmore and are on the London to Brighton mainline with regular trains to and from London. The stations are approximately a 10 minute taxi ride to Cottesmore. (Alternative station would be Horsham)
