FAQs**What's Sleep Park & Fly?**

Sleep Park Fly is the new airport hotel and parking package from Cottesmore Hotel Golf & Country Club.

Book a room or rooms for at least one nights stay at our hotel and we include complimentary parking for the duration of your trip.* Parking only packages are also available and you can choose from 2-4, 5-8 or 9-15 days parking. Packages are available 365 days a year right up until 24 hours before your stay.

Who is the parking provider?

We are. No third party suppliers to deal with, no fields in the middle of nowhere where security is not guaranteed, you park onsite at our Hotel. We provide a high standard of airport parking just fifteen minutes from either terminal.

How do you get to the Gatwick terminals?

We have preferred taxi suppliers who guarantee efficient service. Price is dependant upon the size of vehicle you require, typically prices for a one-way journey start at £18. You can also use your own supplier if you want and we will just charge you for the Hotel Room or the Parking. We will be happy to arrange a taxi for your departure from our hotel to the Airport. Please bare in mind if you are late you will be liable for waiting charges.

Can I just park my car at the Hotel?

Yes.

If you just want to use us to park your car we have different charges for different periods. Go to the main menu to see selected pricing.

How do I make a Sleep Park & Fly booking?

Sleep Park & Fly is available by contacting accommodation@cottesmoregolf.co.uk or telephoning the hotel reception on 01293 528256

Why can't I book the exact number of days I need to park?

In order to keep our price options simple for Cottesmore Hotel Golf & Country Club customers we've created the following packages

You can choose:

2-4 nights @ £30

5-8 nights @ £50

9-14 nights @ £80

The prices are based on the package, not the number of nights parked. Our packages represent fantastic value even if you do not use the full number of available days' parking.

How do I confirm the number of parking days and my car details?

Please ensure you submit your information to us as soon as possible. We require the number of days required, the cars colour, registration and model details.

Are there any vehicle restrictions?

Yes,

We do not accept vehicles which do not fit comfortably into one standard car parking bay you might ordinarily find in a regular car park or supermarket.
